<https://spainfotos.villasfox.com/Villas-Maria-370000-euros> Villas María is an exclusive residential development of private luxury villas on the edge of the Sierra Escalona nature reserve, and approximately 2.5 km from the town centre of San Miguel de Salinas. Being only a 15 minute drive to the coast and fabulous beaches, and enjoying wonderful scenery and nature on your doorstep, you will find the location to be idyllic! This four-bedroom villa offers you a high level of luxury and comfort, and enjoys magnificent views from the gardens, the large glazed-in terrace and even the poolside! The property has 3 levels, with the integral garage located at street level with additional off-road parking available within the front gates. There is a WC and shower room and utility area to the rear of the garage, and an internal flight of stairs leading to the main level. (There is also an external stairway in the garden). The main level comprises a spacious lounge-dining area with gas fireplace and adjacent glazed-in terrace with direct access to the garden and swimming pool, a large, fully-fitted independent kitchen (it is unusual for villas in this area to have such a large kitchen!), two twin/double bedrooms and a shower room. A back door adjacent to the kitchen entrance leads to the rear garden area. The internal stairway leads to the upper floor where you will find the main bedroom with west-facing window on one side and east-facing patio doors leading onto a sun terrace with incredible views, another shower room and a large fourth bedroom which extends to the south side of the house, with enough room for a dressing area. The two porthole-style windows overlook the swimming pool. The property is air-conditioned with ceiling fans and central heating for your comfort throughout the year. The pool measures approximately 8 x 4m and is heated to allow you to swim almost all year round! Other features include electric toldos (awnings) in the garden for those days when you need some shade (there will be plenty of those!) and persian blinds for privacy and shade in the indoor glazed terrace. This is a bright and spacious property with plenty to offer, in a superb location. Available exclusively from Villas Fox, specialists in this area, having lived here ourselves for many years! We look forward to meeting the next owners, and if you think that might be you, give us a call today! There is a pedestrian access to the Sierra Escalona pine forest approx 200 metres from the property, which offers idyllic walks for dozens of miles amongst unspoilt scenery. You can walk to the castle to enjoy a meal or a drink, and it's only about 25 minutes walk to San Miguel de Salinas itself (mainly downhill). Taxi services are excellent in the area, so if you indulge too much on your travels, just call a cab to take you home! With so much to see and do on your doorstep, in such beautiful surroundings, it is little wonder that our Villas María villas are so popular with our clients! {loadmoduleid 177} {loadmoduleid 461}
